Travel by deluxe motorcoach to biblical and other ancient sites in Italy that are connected to each of these apostles.

Highlights include visits to the Vatican with its Sistine Chapel and St. Peter's Cathedral; the impressive monuments of ancient Rome (Colosseum, Pantheon, Arch of Constantine, Arch of Titus, Forum, Catacombs, Pantheon, Altar of Peace, and Mamertine Prison—where, according to tradition, Paul and Peter were held); Hadrian's Villa; the city of Pompeii preserved by Mt. Vesuvius' eruption; Paestum with its two best intact Greek temples in the world; and St. Mark's Basilica in Venice. March/April 2019

Thursday, March 28 Departure from the U.S.

Our inspirational tour begins! Before it is possible to follow in the footsteps of the apostles Peter, Paul and Mark, we must first travel to Italy. We'll gather in Chicago to check in for our transatlantic flight. (D-in flight)

Friday, March 29 Arrive Naples, Pompeii

After changing planes in Europe, we'll touch down in Naples. Welcome to Italy! Following customs formalities, we'll board the waiting motorcoach and transfer to Pompeii, our home base for the next three nights. The rest of the afternoon is free to freshen up, relax, or explore the grounds. We'll end the day with a brief orientation session and a delicious evening meal. (B-in flight, D)

Saturday, March 30 Amalfi Coast, Paestum, Pompeii

This morning we'll take a scenic drive along the rugged and spectacular Amalfi Coast, which ranks among the most scenic drives in the world. Since our large tour bus is not allowed on this winding narrow road, we will take a smaller bus, which will make

brief photo stops in the coastal resort towns of Positano and Amalfi. We then travel a short way south to the ancient city of Paestum or Poseidonia (in honor of Poseidon, the Greek god of the sea). This city was founded in the 6th century BC by Greek settlers as part of the Magna Graecia ("Greater Greece") and fell under Roman control in 273 BC when it became an important trading port in the Roman Empire. The ancient ruins introduce us well to buildings typically found in a Greco-Roman city: the large Forum (open marketplace 1,100 x 1,000 feet), the Macellum (meat market), a small amphitheater, the Ekklesiasterion (a circular administrative building), and various religious buildings such as the Asclepion (temple to the god of healing), Temple of Peace, and Sanctuary of Fortuna Virilis (temple of manly luck). The most impressive structures by far, however, include the three Greek temples built during the 6th and 5th centuries BC. These temples, which are dedicated to Athena (goddess of war), Hera (the wife of Zeus), and Poseidon (the patron god of the city), are among the best-preserved sanctuaries from the ancient world. The ancient site also houses a museum

that displays many fine objects from excavations in the area, including the famous "Tomb of the Diver" fresco. We end the day back at our hotel for a study session and dinner. (B, D)

Sunday, March 31 Mount Vesuvius, Pompeii

The morning will be spent in Pompeii, where our local guide leads us on a fascinating tour of Città Morta—the Dead City. Buried by fifteen feet of ash from Mount Vesuvius in AD 79, Pompeii offers a unique opportunity to go back in time 2,000 years and get a very clear picture of what everyday life was like around the time of the apostles Peter, Paul and Mark. Some of the impressive things we see include: paved city streets laid out carefully in the Hippodamian grid plan; a theater where 5,000 people

could watch Greek and Roman plays; an amphitheater that seated all the 20,000 citizens of the city who enjoyed here the gladiator fights; the *palaestra*—the large, open and columned courtyard where the gladiators and other athletes would exercise; public baths with their three pools of cold, lukewarm, and hot water; and the Forum—the political, commercial, and religious center of the city with its municipal buildings, marketplace, and temples. Many homes of the wealthy are also well preserved with their impressive courtyards, gardens, and mosaics. Perhaps most memorable, however, are the plaster casts of the bodies of those citizens who failed to escape and so perished along with the city. After our visit of this extraordinary ancient site, we drive up to Mount Vesuvius

(4,200 feet) where we walk around the edge of its massive crater and enjoy a panoramic view over the valley and Bay of Naples. We then return to our hotel for a worship service and a relaxing dinner. (B, D)

Monday, April 1 **Naples, Pozzuoli** **(Puteoli), Rome**

We get an early start today with a drive to Naples for a guided tour of the National Archaeological Museum, one of the most impressive museums of antiquities in the world. It is of prime importance for the study of Greek and Roman sculpture, but also houses a remarkable collection of artifacts recovered from the buried city of Pompeii. A short drive to the west brings us to the ancient seaport of Pozzuoli (or Puteoli). The apostle Paul landed at this port on his prison journey to Rome and spent one week here with local Christians (Acts 28:13-14). Among the Roman remains here are the third largest amphitheater and the ruins of the Serapeum,

which is not, as the name suggests, a temple to the Egyptian god Serapis, but a *macellum* or marketplace. After lunch we begin our journey to Rome. As we pass by the nearby city of Capua, we will tell the story of Spartacus, who led a three-year revolt of some 100,000 slaves before finally being defeated. Capua was not only the place where Spartacus started the slave revolt but it also marked the spot where 6,000 captured slaves at the end of the revolt were crucified on crosses every 100 feet along the entire 125-mile highway (Via Appia) leading to Rome. We parallel this ancient highway in our drive to Rome, the “Eternal City,” where we will spend the next four nights. (B, D)

Tuesday, April 2 **Rome**

Our first day in Rome begins with the Catacombs of San Callisto. The catacombs were used by the early Christians as underground cemeteries outside the city walls, since

burial within the city was strictly forbidden. The soft volcanic tufa rock underneath Rome is highly suitable for tunneling and these easily quarried catacombs provided the space for thousands of Christians to be buried from the 1st to 5th centuries. We proceed next to the Ara Pacis (“Altar of Peace”), originally built in 13 BC to commemorate the peace that Augustus established within the Empire. It was marvelously reconstructed in 1937-1938 and is housed in a beautiful museum that was built in 2006. It is extremely important for understanding how the Roman Empire aggressively marketed itself as the provider of peace—the “Pax Romana.” We’ll then visit the Pantheon, which was dedicated to all the gods (Greek: *pan theon*). Its 141-foot-high dome was the largest in the world until the Florence Cathedral was built in 1436. Our bus will next drop us off at Piazza Navona—arguably the most beautiful square in the heart of Rome. On the way

there we will enjoy a mini-tour of the key sites of the city with a helpful explanation from our tour manager. The remainder of the afternoon is free to sightsee and shop on our own. Some free-time options include the Palatine Hill (a beautiful park containing impressive ruins from the palaces of the Roman emperors), St. Peter in Chains (church containing Michelangelo’s *Moses*), the Trevi Fountain, or the Spanish Steps. We return to the hotel for a study session and have dinner at a nearby restaurant. (B, D)

Wednesday, April 3 **Rome**

Today will involve a walking tour of the most important monuments from the Roman period. The Colosseum is the largest amphitheater in the ancient world. One of the most recognizable buildings of Rome, it was once the scene of gladiatorial contests, mock naval battles, and fights pitting men against animals. We walk next to the Arch of

- ① Roman Forum, Rome
- ② Pantheon, Rome
- ③ Assisi
- ④ St. Peter's Square, Vatican City

Constantine, then the Arch of Titus, and finally through the Roman Forum. This commercial, political, and religious center was originally constructed some 2,500 years ago. Yet the ancient Senate, temples, basilicas, and triumphal arches are still impressive today. Exiting the Forum, we stop briefly at the Mamertine Prison, the most ancient prison in the city.

According to Christian tradition, both the apostle Peter and Paul were imprisoned here. Our visit to the Roman Forum ends at the smallest of Rome's seven hills, but its most important—the Capitoline (Capital) Hill. Here the Temple of Jupiter once stood, of which only the foundations remain. After our lunch break, we'll have an afternoon study session at Chiesa Evangelica Breccia di Roma, where we plan to meet with Rev. Leonardo de Chirico, the pastor from this church who will tell us what life is like for evangelical Christians living in a country where the vast majority of people are

Roman Catholic. Then a visit to the traditional location of the Apostle Paul's death and burial awaits: St. Paul Outside the Wall. This beautiful church is the largest in Rome after St. Peter's. The tomb of Paul is believed to be beneath the altar, where there is a 1st-century tomb surrounded by Christian and pagan burials. The evening is free for an independent dinner. (B)

Thursday, April 4
Vatican City, Tivoli, Rome

You have seen images of the Vatican on television and in movies, but today you will witness it in person! The Vatican is actually a small (109 acres) yet powerful independent state that is the heart of the Roman Catholic Church. We'll begin with a guided tour of the fantastic Vatican Museums, which are filled with almost incomprehensible treasures. The highlight of our visit will be the Sistine Chapel, whose splendid vault was

painted by Michelangelo and illustrates the great biblical stories of Creation, the Flood, and the Last Judgment. We also visit the impressive St. Peter's Square and St. Peter's Basilica, a masterpiece built between the 15th and 17th centuries on the site of an earlier church dating from the time of Emperor Constantine. The massive interior is breathtaking and it contains many works of art, most notably Michelangelo's *Pieta*—the moving sculpture of Mary holding in her lap the body of Jesus after the crucifixion. After lunch, we travel by bus a short distance outside the city to Tivoli to visit Hadrian's Villa, the largest and richest Imperial villa in the Roman Empire. This impressive villa originally consisted of more than 30 buildings, which recreated the favorite monuments that Hadrian saw during his prolonged travels around the empire. These included the Canopus or Sanctuary of Serapis in Alexandria, the Pecile or the "painted porch"

in Athens, the Vale of Tempe in Thessaly, and the Lyceum or Academy in Athens. Before heading back to the hotel, we remain in Tivoli for a memorable meal at a one-of-a-kind underground restaurant. (B, D)

Friday, April 5
Assisi, Florence

We drive north to Assisi, a beautifully situated walled town best known as the home of St. Francis. This 12th-century saint, who as a rich noble dreamed of a military career but who was converted following an illness, renounced a life of luxury and established the Franciscan order of monks devoted to serving the sick and the poor. The picturesque Medieval town of Assisi contains many interesting buildings. There is the Temple of Minerva (Athena), which is now a church, but still retains six fluted columns dating back to Roman times. There is also the Church of St. Clare, a spiritual contemporary of St. Francis who founded the

Basilica di San Vitale, Ravenna

Order of the Poor Ladies. This church houses a Byzantine cross that supposedly spoke to St. Francis. The key building, however, is the Church of St. Francis (1228), which contains the body of the saint. The upper level of the church contains 28 frescoes by Giotto, the famous Italian painter, depicting key scenes from the life of St. Francis. The lower level also consists of impressive frescoes by numerous late medieval painters. We continue further north to Florence, our home for the next two nights. Our centrally located hotel makes it convenient for us to explore this most beautiful town of the Renaissance. Our full day ends with another interesting study session and dinner. (B, D)

Saturday, April 6 Florence

Our guided tour of Florence provides us with an overview of the most important religious structures in the city. This includes the Duomo—the Cathedral of Santa Maria

del Fiore, one of the largest churches in the world and a symbol of the city's power and wealth in the 13th and 14th centuries. The magnificent dome by Brunelleschi is world famous, as is the campanile (bell tower) designed by Giotto. Across the street, we'll see the Baptistry with its famous bronze doors—the *Gates of Paradise*, sculpted by Ghiberti. We'll also visit the Galleria dell'Accademia, which houses masterpieces of Michelangelo, most notably his amazing *David*. We next tour the Uffizi Museum, one of the world's greatest collections of Renaissance art housed in a palace designed by Vasari. Its fabulous collections boast the work of Giotto, Cimabue, Botticelli, Raphael, Michelangelo, da Vinci, and many others. During free time in the afternoon, there are many wonderful choices: the Ponte Vecchio bridge (1345) across the Arno River, the Bargello Museum containing gorgeous sculptures from leading artists of the

Renaissance era, the Boboli Gardens, the Palazzo Vecchio (the old city hall), or simply enjoy a gelato while people-watching in one of the city's quaint squares. An early study session and an independent dinner mark the end to this fantastic day. (B)

Sunday, April 7 Florence, Ravenna, Venice-Mestre

We start the day with a morning worship service in our hotel that focuses on Paul's words to the Christians in Rome. Afterward, we drive northeast to the coastal town of Ravenna, renowned for its stunning 5th-6th century mosaics. Three stops are planned: the Mausoleum of Galla Placidia, the Basilica di San Vitale, and the Basilica de Sant' Apollinare Nuovo. There will also be free time to walk around this pedestrian-friendly town, which boasts no less than eight early Christian monuments on the UNESCO World Heritage List. Continuing north, we'll arrive in

Mestre—our mainland home base for visiting the enchanting island city of Venice. The day ends with a final “debriefing” session and dinner where we reflect together on many magnificent sites and experiences enjoyed on this tour. (B, D)

Monday, April 8 Murano, Venice, Venice-Mestre

Our last full day in Italy involves the island city of Venice! Following a short train trip to the island, we will take a boat to the small island of Murano, located just over a mile from Venice, for a glass factory tour. World-renowned glass products have been made here ever since the 10th century. We then go by water taxi to Venice, where our local guide will take us to St. Mark's Basilica. This church, which houses the relics of the gospel writer, represents a mixture of Byzantine and western architecture with splendid mosaics throughout the interior. We'll also visit the nearby Doges' Palace, once the residence of the city's rulers. The remaining hours are ours to revel in the atmosphere of this unique city, take a gondola ride through the canals, visit the Academy of Fine Arts, or simply browse the shops. Our day and trip end with a farewell dinner at a restaurant. (B, D)

Tuesday, April 9 Return to the U.S.

Very early this morning, we'll transfer to the Marco Polo Airport to check in for our returns flights to Chicago. *The Gospel Comes to Italy* has certainly been an instructive, inspirational, and memorable trip! (B, Lin flight)

Documentation: Passports, Visas, and Travel Consent for Minors. All U.S. citizens are required to have a valid passport to travel internationally. If you already have a passport, check its expiration date now since the country visited on this tour requires passports to be valid for at least six months beyond the traveler's intended return date. If your passport is due to expire earlier, you will need to obtain a new one. If you do not have a passport or need a new one, apply as soon as possible. If you plan to visit other countries on your own, contact Witte for any special requirements. All non-U.S. citizens should contact Witte for their special requirements. We will check the requirements for non-U.S. citizens at the time they register and again approximately 45 days prior to departure. Witte is not responsible for any changes in requirements for non-U.S. citizens that occur after our final check.

When travelling domestically or internationally, the U.S. Transportation Security Administration (TSA) and U.S. Department of Homeland Security (DHS) advise that everyone carry at least two forms of acceptable identification in order to board a flight found <http://www.tsa.gov/traveler-information/acceptable-ids>. Examples: DHS-designated enhanced driver's license, U.S. Passport, a foreign government passport. The name, date of birth and gender that appears on the identification card must exactly match the same data listed on airline ticket(s) and booking records

Minor children traveling internationally without both parents are strongly encouraged to carry a notarized note signed by both parents stating that they have permission to travel without one or both of them. It has become increasingly necessary to possess such a note, and will save time if questions arise departing from the U.S. or to exit a foreign country. In order to download a sample minor consent form go to: <https://www.us-passport-service-guide.com/minor-travel-consent-form.html> The sample form is a guide only. Parents who share custody of their children should carry copies of the legal custody documents. Important note: Parents are responsible to contact the embassy of the country or countries the minor child will be visiting to confirm all travel entry and exit requirements, which may include obtaining additional notarized documentation.

HEALTH DOCUMENTATION REQUIREMENTS. You are responsible to make absolutely certain to have the proper immunizations and required documentation of such immunizations before travel. Witte shall not assume responsibility for the accuracy of health requirements or vaccination documentation prior to departure or upon landing at the final destination. See your health practitioner for advice. Prior to travel, required inoculations, if any, must be recorded by your health practitioner on a valid vaccination certificate, and you must carry for proof of inoculation where required. If you are concerned about taking any medications or receiving certain inoculations, and adequate timing of such inoculations relative to your travel booking, consult your health practitioner BEFORE booking. Check the U.S. State Department websites <http://travel.state.gov> for relevant information relating to travel to specific destinations, the USA Centers for Disease Control <http://wwwnc.cdc.gov/travel/destinations/list/> and the World Health Organization <http://www.who.int/en/relating-to-health-issues>.

You may also carry a purse, a camera and one piece of hand luggage with a maximum size of 45 linear inches and weight of 15 lbs. These size and weight restrictions conform to most airlines' requirements. Hand luggage does not fit in the overhead bins on the motorcoach. There may be room for it in the storage compartment under the coach or by an empty seat on board. If not, it will need to be placed on the floor in front of your feet.

Tour cost. The tour cost is based on a group of 24 passengers and current tariffs for air and land arrangements.

Please note that these travel arrangements are subject to possible price increases due to additional charges imposed by a supplier or government. You may be charged additional sums by Witte to offset increased fees, fuel surcharges, taxes, fluctuations in foreign exchange markets, and/or smaller group size. Before passing on an increase, Witte will use its best efforts to minimize the amount. If it is necessary to increase the tour cost, participants will be advised at final billing and provided with a summary of the contributing factors. Your signature below indicates consent to any post-purchase price increases.

Special flight arrangements. Note on your registration form if you would like to extend your stay and/or depart from and/or return to another city. The number of passengers who can deviate from the group's flight schedule is restricted. You will be contacted to let you know if the arrangements you requested are possible and to advise you of schedule options and costs. Upon confirmation of your special arrangements, a nonrefundable service fee of \$75 per person will be added to your account along with any additional air or land costs that may apply. In the event of cancellation, the service fee and any nonrefundable portion of special air or land arrangements made for you will be added to the penalties noted under "Cancellations and Refunds." Witte must receive requests for special flight arrangements at least 45 days prior to departure.

Special meal requests and food allergies. Note special meal requests and food allergies on your registration form. Witte cannot be responsible if special requests are not met but we will pass them on to the airlines, hotels and restaurants. If you have dietary restrictions or food allergies, be sure to carry your medications with you at all times. Also, discuss your special needs with your tour personnel and ask the wait staff about the foods you are served.

Mobility Concerns. Sightseeing on Witte tours almost always includes walking. Visits to historical places often mean climbing stairs and walking on uneven surfaces or cobblestones. The Americans with Disabilities Act ("ADA") is only applicable within the U.S., and facilities for disabled individuals are limited outside its borders. A qualified and physically able companion must accompany travelers who need such assistance. Motorized scooters and wheelchairs are unsuitable for many trips. Transportation services, including many tour motor coaches, are not equipped with wheelchair ramps. Handicap accessibility is not always available. Witte tour personnel are not able to provide attendant services.

Consult your physician if you have any concerns about your ability to participate.

Time away from the tour. Advise Witte in writing at least 45 days before departure if you plan to spend some time away from the tour. Wherever possible, you will be credited for missed hotel nights.

Final tour documents—including itinerary, hotel list, passenger list, flight schedules with departure instructions, and luggage tags—are sent about 10 days prior to departure. Flight tickets are usually made available at the airport at check-in.

Limitations of Responsibility and Disclosure. The trip outlined herein has been contracted with various suppliers. Witte acts solely as a booking agent for supplier hotels, airlines, air charters, bus companies, ground transportation, cruise lines, boat purveyors or owners, and other independent contractors providing accommodations, transportation, and/or other services, and is not the source or provider of the travel services. Each of these supplier companies is an independent entity with its own management, and is not subject to the control of Witte. Participant is advised that the suppliers whose services appear in travel documentation are responsible for providing the travel services purchased, and consents to the use of those suppliers, and understands and agrees each supplier's Terms and Conditions are contained in printed form and are set forth on their respective Web sites, which govern the transaction. All bookings are accepted by Witte as agent for the travel suppliers on your itinerary. The transportation, accommodations and other services provided by the sea, ground, and air operator suppliers offered are subject to the terms and conditions contained in the tickets, exchange orders or vouchers issued by them and/or their suppliers, including Terms and Conditions on their respective Web sites.

BECAUSE WITTE ACTS AS AGENT FOR DISCLOSED PRINCIPAL SUPPLIERS, AND DOES NOT HAVE THE RIGHT TO CONTROL THE OPERATIONS OF SUCH INDEPENDENT OPERATORS AND SUPPLIERS, YOU AGREE WITTE IS NOT LIABLE FOR ANY PERSONAL INJURY OR PROPERTY DAMAGE, WHICH MAY ARISE OUT OF THESE SERVICES. WITTE HEREBY DISCLAIMS ANY LIABILITY WHETHER BASED ON CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE, INCLUDING WITHOUT LIMITATION LIABILITY FOR ANY DIRECT, PUNITIVE, SPECIAL CONSEQUENTIAL, INCIDENTAL OR INDIRECT DAMAGES, IN CONNECTION WITH THE GOODS OR SERVICES PROVIDED BY ANY PRINCIPAL SUPPLIER BOOKING THROUGH WITTE'S OFFICE OR WEB SITE, INCLUDING WITHOUT LIMITATION LIABILITY FOR ANY ACT, ERROR, OMISSION, INJURY, LOSS, ACCIDENT, DELAY OR IRREGULARITY WHICH MAY BE INCURRED THROUGH THE FAULT, NEGLIGENCE, WILLFUL ACTS, OMISSIONS OR OTHERWISE OF SUCH SUPPLIER, OR OF ANY SUPPLIER OR THEIR RESPECTIVE EMPLOYEES, AGENTS, SERVANTS, OR REPRESENTATIVES, INCLUDING, WITHOUT LIMITATION, THEIR FAILURE TO DELIVER OR THEIR PARTIAL OR INADEQUATE DELIVERY OF SERVICES, FUEL INCREASES, AND OTHER MATTERS OUTSIDE OF WITTE CONTROL, AND PARTICIPANT HEREBY EXONERATES WITTE FROM ANY LIABILITY WITH RESPECT TO THE SAME.

Witte, its agents, sponsors, organizers and employees shall not be responsible for any injury, loss, damage, accident, delay, irregularity or expense arising from strikes, weather, sickness, acts of war or terrorism, governmental restrictions or regulations or from any act or omission on the part of any individual or company furnishing transportation, accommodations or any other services to the tour participants; absent gross negligence, Witte shall not be responsible for any injuries, death, damages, loss or delay by any means of transportation or by reason of any event beyond its actual control.

Weather conditions, including but not limited to the presence or absence of snow, sunshine, and rainfall are not guaranteed to occur or not occur, and are outside of Witte's control. Volcanic eruptions, ash clouds, and wind may be characterized as an adverse weather condition or a natural disaster by suppliers and your travel insurance company, which is beyond the control of Witte.

Witte shall not assume any responsibility for any air and/or ground schedule changes.

Witte reserves the right to make alterations in the itinerary as it deems necessary.

Force Majeure. "Force Majeure" means, in relation to Witte, any circumstances beyond the reasonable control of Witte, (including, but without limitation, acts of God, explosion, tidal waves and flood, tempest, forceful wind, earthquakes, fire or accident, hostilities, war or threat of war declared or undeclared, acts or threats of terrorism, sabotage, insurrection, riots, strikes, civil disturbance, requisition, epidemic, sickness, quarantine, government intervention, invasion, act of foreign enemies, mobilization, embargo, weather conditions, defects in machinery and vehicles, delay, wildlife, contamination by radio-activity from any nuclear fuel or from any nuclear waste, or other untoward occurrences).

Witte shall not be deemed to be in breach of these terms and conditions or otherwise be liable to you, by reason of delay in performance, or by non-performance, of any of its obligations hereunder to the extent that any such delay or non-performance is due to any Force Majeure.

If Witte, and/or any of its travel suppliers, are affected by Force Majeure, they shall be entitled to, and may in their sole and absolute discretion, vary or cancel any itinerary or arrangement in relation to the trip. Payment of any refund by Witte to you as a result of the non-performance of any obligations due to Force Majeure shall remain in its sole and absolute discretion, although Witte shall use its reasonable efforts to reimburse you where possible. However, Witte shall be entitled to deduct from any refund recoverable the reasonable actual and potential costs to Witte of the Force Majeure and applicable cancellation fees.

Regarding civil unrest, once Witte has investigated the prevailing situation, as it deems fit, it shall remain in Witte's sole and absolute discretion whether to proceed with the trip. You may in such circumstances cancel the trip subject to Witte's and each supplier's terms and conditions.

In case of insufficient participation, geopolitical, or natural cause, or other circumstances beyond its control to the extent travel services cannot be provided wholly or partially, Witte may cancel the tour. In such cases, Witte will use its best efforts to supply alternative services and accommodations, and no refunds will be granted provided that the alternatives are comparable to the original services and accommodations included in the tour cost. In the event of cancellation of the tour by Witte, its liability will be limited to a refund in full of all monies paid by the participants. If available, Witte will offer an alternative trip, which the participants may accept or reject.
