Tour Pace

MODERATE – Travelers considering this tour must be aware of existing challenges in Europe for those with mobility, balance, and respiratory issues. While picturesque landscapes and cultural experiences await, navigating cobblestone streets, uneven terrain and narrow pathways pose difficulties. **Passengers who require any mobility device, must be accompanied by a physically able companion who enables them to keep pace with walking tours on this trip.** Taxis or other transportation used to "catch up" to the group are at the passenger's expense. Activity levels vary from day-to-day. Sightseeing is often a brisk walk over several miles each day on uneven ground. Your safety and comfort are our top priorities. We are committed to ensuring an inclusive and enjoyable experience for all travelers.

General Data Protection Policy. We collect personal data, including, but not limited to legal name, gender, date of birth, passport information, dietary needs, and mobility concerns for the purpose of making travel arrangements on your behalf. We share this information with suppliers as it relates to the operation of your trip/tour. By signing the registration form/agreeing to the terms in TRIP, you agree to sharing your personal data for the purpose of making travel agreements on your behalf.

The cost of your tour includes:

Air transportation from Grand Rapids or Phoenix to Frankfurt returning from Zurich to Grand Rapids or Phoenix with any regularly scheduled air carrier, based on a nonrefundable/nonchangeable fare, which requires a minimum of 10 passengers traveling round trip together. The identity of the carrier, which may include the carrier's code-share partner, will be assigned and disclosed in your final documents. Tickets are issued 45 days prior to departure. All current airlines taxes, security fees and fuel surcharges are included. Note that these items cannot be guaranteed until tickets are issued.

Secure flight information. The requirement to collect date of birth, gender, and full name are federally mandated by the Transportation Security Administration's (TSA) Secure Flight Program. While disclosure of this information is voluntary, if it is not provided, participants may be denied boarding. TSA's privacy policy, as well as additional details, can be found at tsa.gov using the keywords Secure Flight. Witte takes all reasonable steps to safeguard the privacy of all information collected from its clients.

Frequent flyer points are not guaranteed in connection with group airfares. Some airlines may limit group airfare credits to 25% to 50% of the frequent flyer points that apply to individuals while others do not offer any credits for group airfares.

Hazardous Materials. Federal law forbids the carriage of hazardous materials aboard aircraft in your luggage or on your person. A violation can result in five years' imprisonment and penalties of $250,000 or more (49 U.S.C. 5124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives and radioactive materials. For more information, examples and special exceptions, visit: http://www.tsa.gov/traveler-information/prohibited-items.

Land transportation. A deluxe air-conditioned motorcoach is used for transfers, excursions, and travel between cities. Because motorcoach travel is restricted in many European cities, sightseeing is often done on foot or via public transportation.

Accommodations in moderate first-class to standard first-class hotels based on two people sharing a room with private facilities. When hotels in these categories are not available, top-quality superior tourist-class properties are selected. **The supplement for single accommodations is $810.** If you register alone but want a roommate, we will do our best to assign one. Shared accommodation bed configurations vary by destination. Separate twin beds cannot be guaranteed. If a single room must be assigned to any member of the group for any reason, even if it is at the last minute or while on tour, we will need to charge the single supplement. Changes in rooming arrangements requested by the participant 45 or fewer days prior to departure may result in additional charges.

Meals. Breakfast daily and dinners as indicated in the itinerary. Dinners do not include beverages.

Tour Personnel. A multi-lingual tour manager to accompany the group from arrival in Frankfurt until departure from Zurich. The tour manager may be assisted by local guides at key sites.

Sightseeing and admission fees in accordance with the itinerary.

Tipping and taxes are included for all services, including the tip for the tour manager and motorcoach driver.

The tour cost does not include passports, ETIAS Authorization required to visit Schengen countries, airline luggage fees if charged, porterage of luggage, optional travel protection plan including luggage and trip cancellation coverage, optional excursions, independent meals, and any other items not mentioned as included.

Insecticide Disclosure. Some countries require that aircraft be treated with insecticides prior to flight or while occupied. For a list of the countries with insecticide requirements, go to http://airconsumer.dot.gov/spray.htm.

Optional travel protection. Witte recommends that you purchase a travel protection plan. For your convenience, Witte Travel offers a travel protection plan designed by Travelex Insurance Services. This plan is not available for residents of NY and WA. Please contact us for other plan options. This travel protection can be purchased at any time prior to making the final payment for your tour. **To be eligible for the waiver of pre-existing medical condition exclusion, the protection plan must be purchased within 21 days from the time you make your initial trip deposit, provided you are medically fit to travel at the time of purchase. The pre-existing medical exclusion applies to you, your traveling companion(s), and traveling family member(s). For all traveling companions to benefit from the pre-existing condition waiver, each must enroll in travel protection within 21 days of initial deposit and meet qualifications for the pre-existing condition waiver.** The plan cost for the travel protection plan that applies to your tour will be noted in your brochure and on the registration form. It may be necessary to increase the trip cost insured on the travel protection plan if you purchase additional services and/or upgrade any arrangements. This could increase the plan cost of the travel protection plan. This travel protection plan is refundable during the 21-day (30 day for IN, NH, and UT residents) review period following the purchase of the plan; as long as you have not departed on your trip or plan to file a claim.

Documentation: Passports, Visas, and Travel Consent for Minors. All U.S. citizens are required to have a valid passport book to travel internationally. If you already have a passport book, check its expiration date now since the countries visited on this tour require passports to be valid for at least six months beyond the traveler's intended return date. If your passport is due to expire earlier, you will need to obtain a new one. **If you do not have a passport book or need a new one, apply as soon as possible as processing can take time.** If you plan to visit other countries on your own, contact Witte for any special requirements. **Effective 2027, US citizens do not need a visa to visit Schengen countries but must obtain ETIAS Authorization via the ETIAS online application process, before travel.** When applying using the official ETIAS website, https://travel-europe.europa.eu/etias, you will be charged a fee of EUR 20. Applicants who are under 18 or over 70 years of age are exempt from this payment. All non-U.S. citizens should contact Witte for their special requirements. We will check the requirements for non-U.S. citizens at the time they register and again approximately 45 days prior to departure. Witte is not responsible for any changes in requirements for non-U.S. citizens that occur after our final check.

When travelling domestically or internationally, the U.S. Transportation Security Administration (TSA) and U.S. Department of Homeland Security (DHS) advise that everyone carry at least two forms of acceptable identification in order to board a flight found http://www.tsa.gov/traveler-information/acceptable-ids. Examples: DHS-designated enhanced driver's license, U.S. Passport, a foreign government passport. The name, date of birth and gender that appears on the identification card must exactly match the same data listed on airline ticket(s) and booking records

Minor children traveling internationally without both parents are strongly encouraged to carry a notarized note signed by both parents stating that they have permission to travel without one or both of them. It has become increasingly necessary to possess such a note, and will save time if questions arise departing from the U.S. or to exit a foreign country. In order to download a sample minor consent form go to: https://www.us-passport-service-guide.com/minor-travel-consent-form.htmlThe sample form is a guide only. Parents who share custody of their children should carry copies of the legal custody documents. Important note: Parents are responsible to contact the embassy of the country or countries the minor child will be visiting to confirm all travel entry and exit requirements, which may include obtaining additional notarized documentation.

Health Documentation Requirements. You are responsible to make absolutely certain to have the proper immunizations and required documentation of such immunizations before travel. Witte shall not assume responsibility for the accuracy of health requirements or vaccination documentation prior to departure or upon landing at the final destination. See your health practitioner for advice. Prior to travel, required inoculations, if any, must be recorded by your health practitioner on a valid vaccination certificate, and you must carry for proof of inoculation where required. If you are concerned about taking any medications or receiving certain inoculations, and adequate timing of such inoculations relative to your travel booking, consult your health practitioner BEFORE booking. Check the U.S. State Department websites http://travel.state.gov for relevant information relating to travel to specific destinations, the USA Centers for Disease Control http://wwwnc.cdc.gov/travel/destinations/list/ and the World Health Organization http://www.who.int/en/ relating to health issues.

Luggage allowance. You may take one suitcase with a maximum size of 62 linear inches (height plus width plus depth) and weight of 50 lbs. You may also carry a purse, a camera and one piece of hand luggage with a maximum size of 45 linear inches and weight of 15 lbs. These size and weight restrictions conform to most airlines' requirements. Hand luggage does not fit in the overhead bins on the motorcoach. There may be room for it in the storage compartment under the coach or by an empty seat on board. If not, it will need to be placed on the floor in front of your feet.

Tour cost. The tour cost is based on a group of 26 passengers and current tariffs for air and land arrangements. The tour cost is based on projected costs for 2027, and it may need to be repriced closer to departure. Witte Tours will make every effort to protect the price of this tour.

Please note that these travel arrangements are subject to possible price increases due to additional charges imposed by a supplier or government. You may be charged additional sums by Witte to offset increased fees, fuel surcharges, taxes, fluctuations in foreign exchange markets, and/or changes in group size. Before passing on an increase, Witte will use its best efforts to minimize the amount. If it is necessary to increase the tour cost, participants will be advised at final billing and provided with a summary of the contributing factors. Your signature on the registration form indicates consent to any post-purchase price increases.

Contact Witte for information and costs on options for private transfers. Witte cannot be responsible for any inconveniences to land-only participants resulting from changes in the group's flight schedule. Participants who change their status to land-only less than 90 days prior to departure may be subject to penalties imposed by the airlines.

Mobility Concerns. Sightseeing on Witte tours almost always includes walking. Visits to historical places often mean climbing stairs and walking on uneven surfaces or cobblestones. The Americans with Disabilities Act ("ADA") is only applicable within the U.S., and facilities for disabled individuals are limited outside its borders. A qualified and physically able companion must accompany travelers who need such assistance. Motorized scooters and wheelchairs are unsuitable for many trips. Witte tour personnel are not able to provide attendant services.

Consult your physician if you have any concerns about your ability to participate.
